AN ORDER

To appropriate \$40,000 for a roofing replacement schematic design feasibility study
@ Bridge Street Elementary School

Ordered, that

That the City of Northampton appropriate the amount of \$40,000 for the purpose of paying costs of a roofing replacement schematic design feasibility study for the Bridge Street Elementary School, located at 2 Parson Street, Northampton, MA 01060, a school serving public school students in grades kindergarten thru fifth grade, including the payment of all costs incidental or related thereto, and for which City of Northampton may be eligible for a grant from the Massachusetts School Building Authority ("MSBA"), said amount to be expended under the direction of the Northampton School Building Committee. To meet this appropriation the Northampton City Council, with the approval of the Mayor will appropriate necessary funds from funds remaining in the account entitled Ryan Road Roof Membrane Project (19303 586503). The City of Northampton acknowledges that the MSBA's grant program is a non-entitlement, discretionary program based on need, as determined by the MSBA, and any costs the City of Northampton incurs in excess of any grant approved by and received from the MSBA shall be the sole responsibility of the City of Northampton.
